GORILLA**
A SPECIALTY PACKAGING COMPANY
ENGINEERED FOR A PURPOSE™

**CHUBBY
GORILLA**

CannaZip is proud to be a master distributor of Chubby Gorilla®, the industry-leading brand known for its high-quality, durable, and child-resistant packaging solutions. As a trusted partner, we provide businesses with direct access to the full range of Chubby Gorilla® products, ensuring reliable supply, competitive pricing, and seamless distribution. Whether you need e-liquid bottles, concentrate containers, or other premium packaging solutions, CannaZip is your go-to source for the most innovative and compliant packaging in the market.

Beyond distribution, we offer comprehensive label application services to help you deliver a fully branded product straight to market.

Our customization capabilities include a wide selection of colors, custom molds, direct printing on caps and bottles, and more, allowing you to create a unique and distinctive brand presence.

With *CannaZip* you get turnkey packaging solutions tailored to your specific needs, ensuring a professional, compliant, and market-ready product.

ABOUT US

OUR COMPANY

Chubby Gorilla® was founded in Southern California with one primary goal in mind: Make great products that people love using. Everyday, that simple goal informs every decision we make. From the unique design to the high-quality materials that we use in our products, our team works tirelessly to create aesthetically unique products that meet the consumer’s needs. Chubby Gorilla® thrives on innovation. We have been awarded over a hundred patents and registered designs, and serve over 100 countries across the globe. These efforts have undoubtedly made Chubby Gorilla® a market leader in providing packaging to the e-liquid market and similarly positioned the company to engage emerging industries.

OUR MISSION

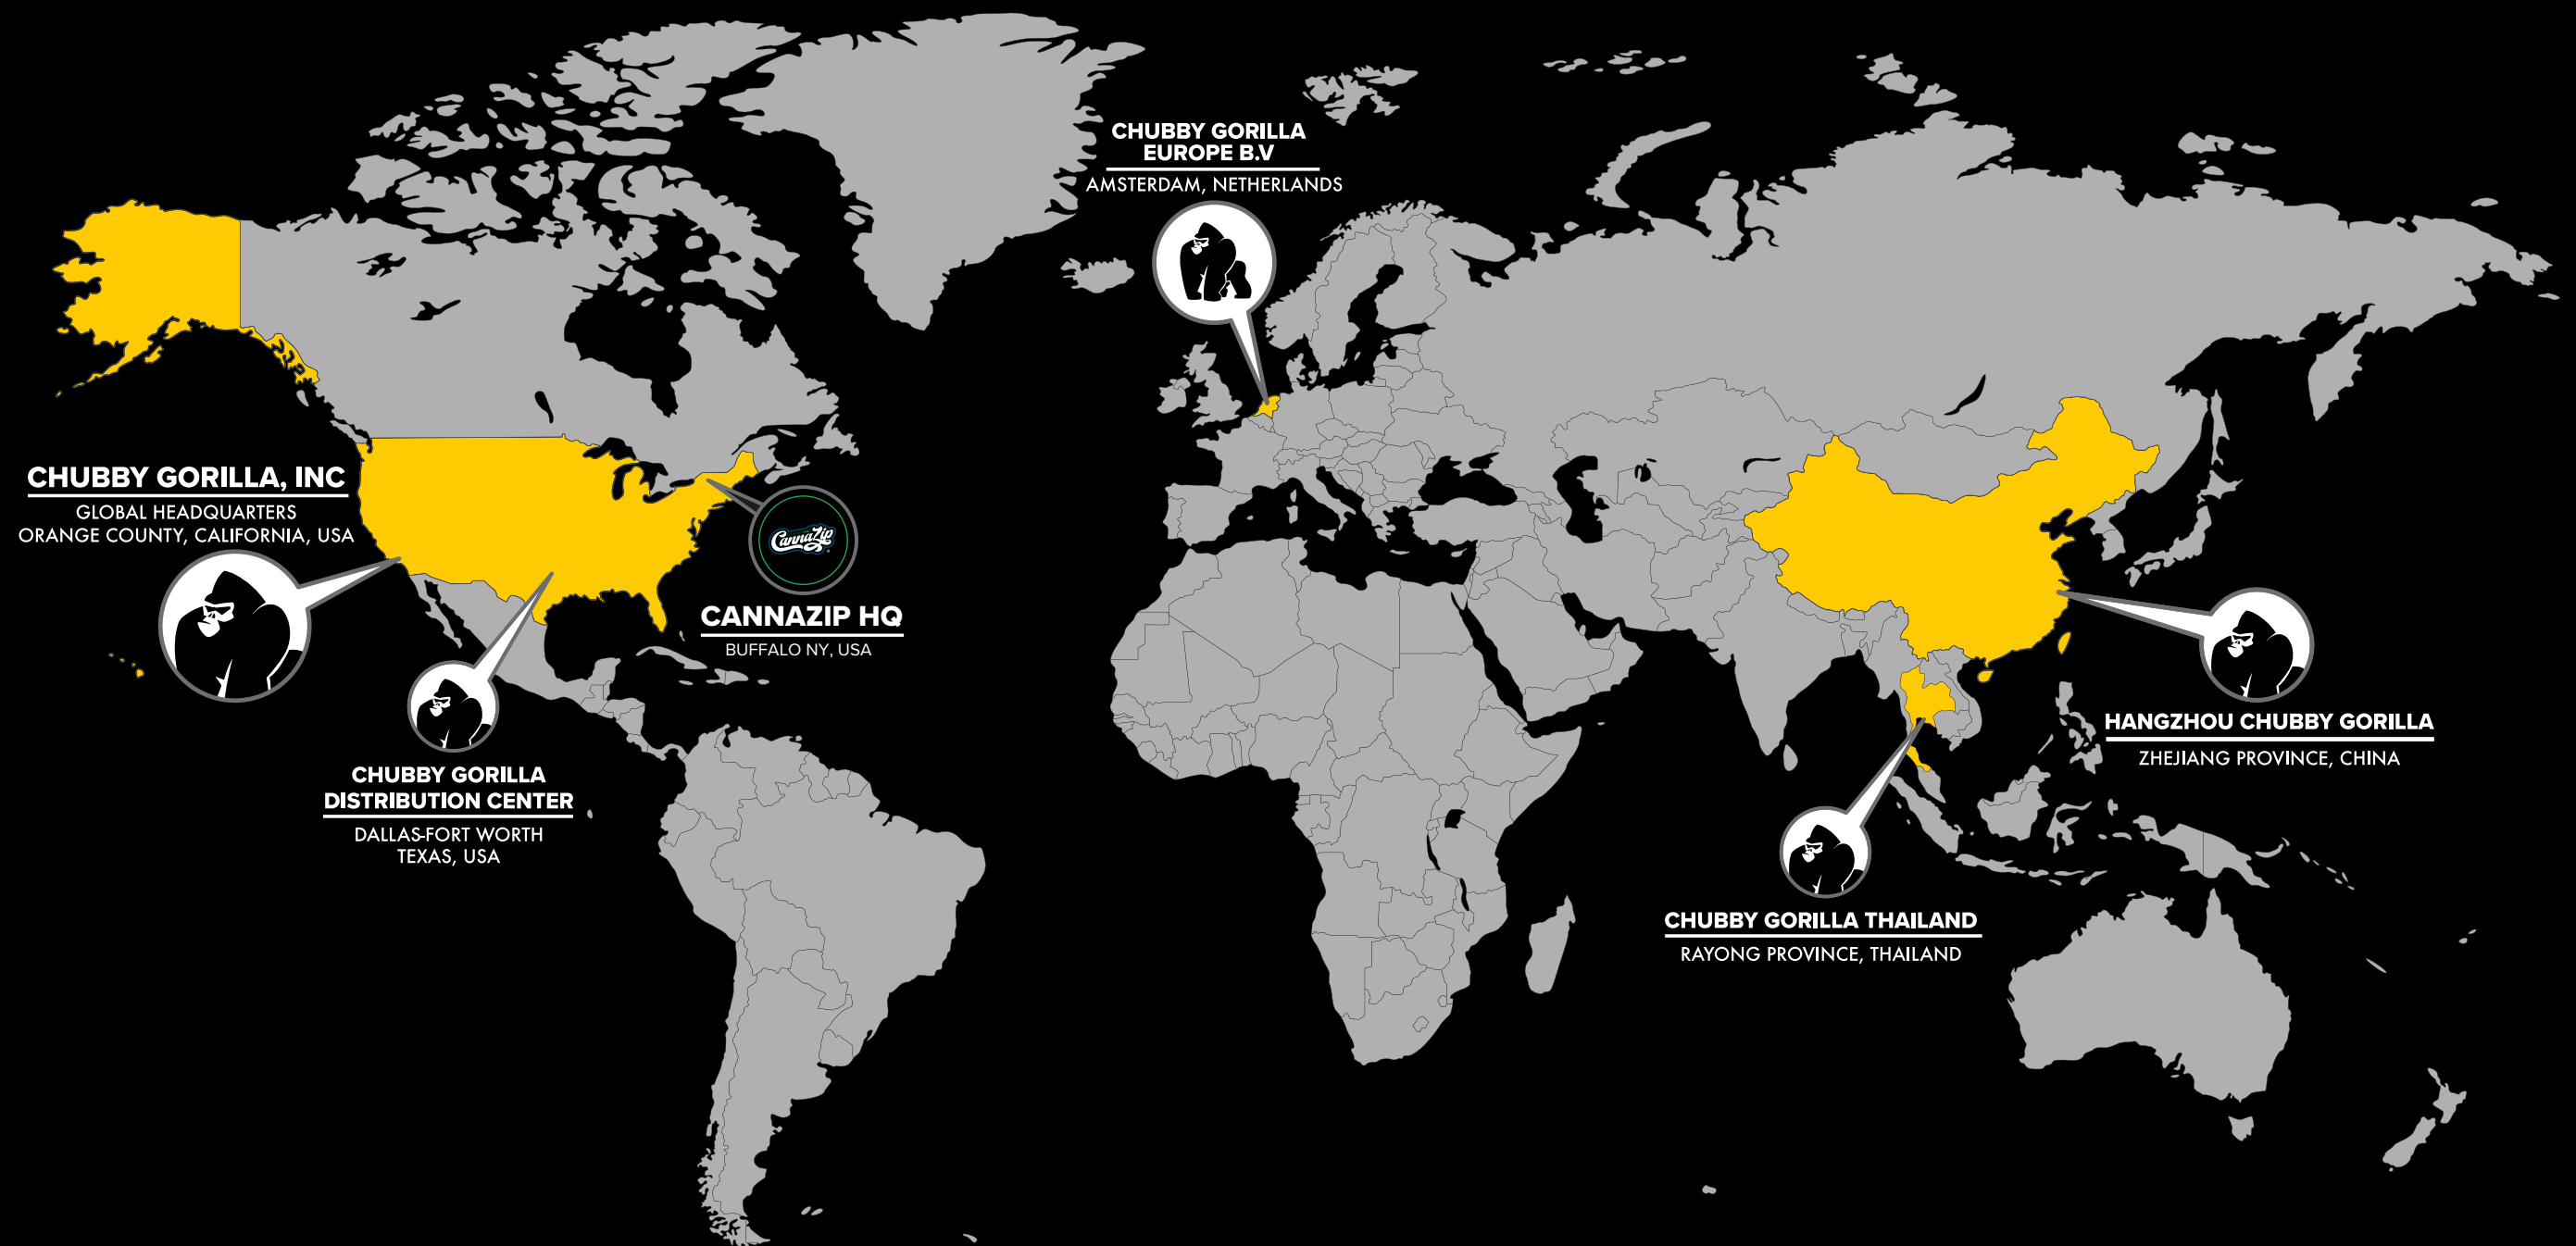

The mission statement of Chubby Gorilla® is “Engineered For A Purpose™” We don’t just toss those words around lightly. We know that our customers have many choices, so we take every aspect of that statement very seriously so that consumers continue to demand the high-quality product provided by Chubby Gorilla®. When our customers use one of our products, we want it to be a unique and unparalleled experience.

POUCH CONTAINERS

Chubby Gorilla® has revolutionized the pouch industry with the introduction of the world's first dual compartment Pouch Container with a child-resistant upper closure. Designed for everyday use, this innovative solution not only excels in storing and dispensing pouches but also provides a convenient way to contain used pouches for disposal.

NEW PRODUCTS

DUAL COMPARTMENT POUCH CONTAINERS

Available Size
40 g

The Dual Compartment Pouch Containers reimagines the standard design with a modern twist. The 40 g dual-compartment design features an upper section with a child-resistant closure, paired with a lower compartment specifically for dispensed pouches, offering both functionality and convenience in one innovative solution.

KEY ELEMENTS

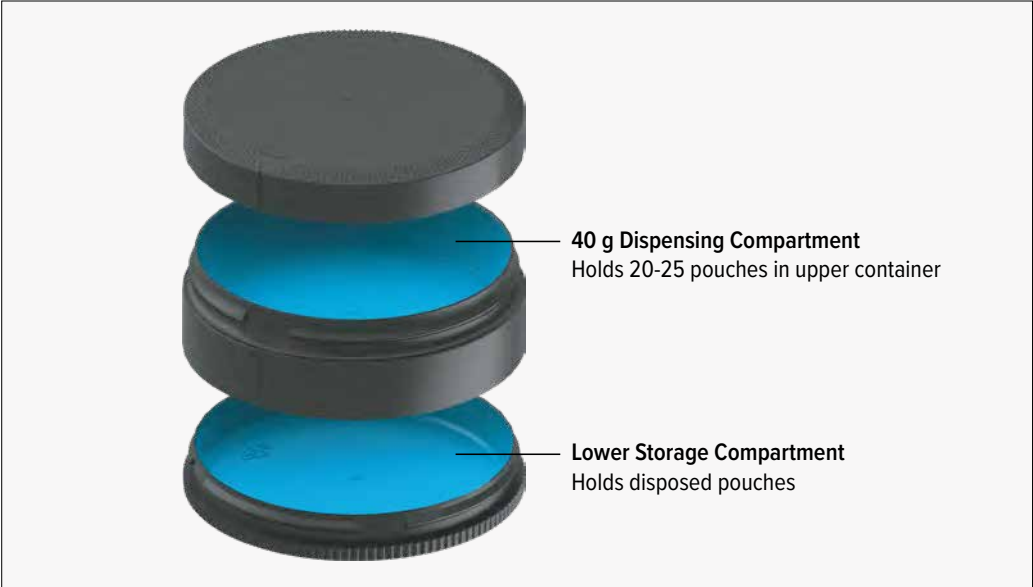

- Child-Resistant Upper Closure
- 360 Micro-Grip Diamond Surface
- Dual Storage Compartments
- Designed & Engineered In California, USA

Child-Resistant Upper Closure

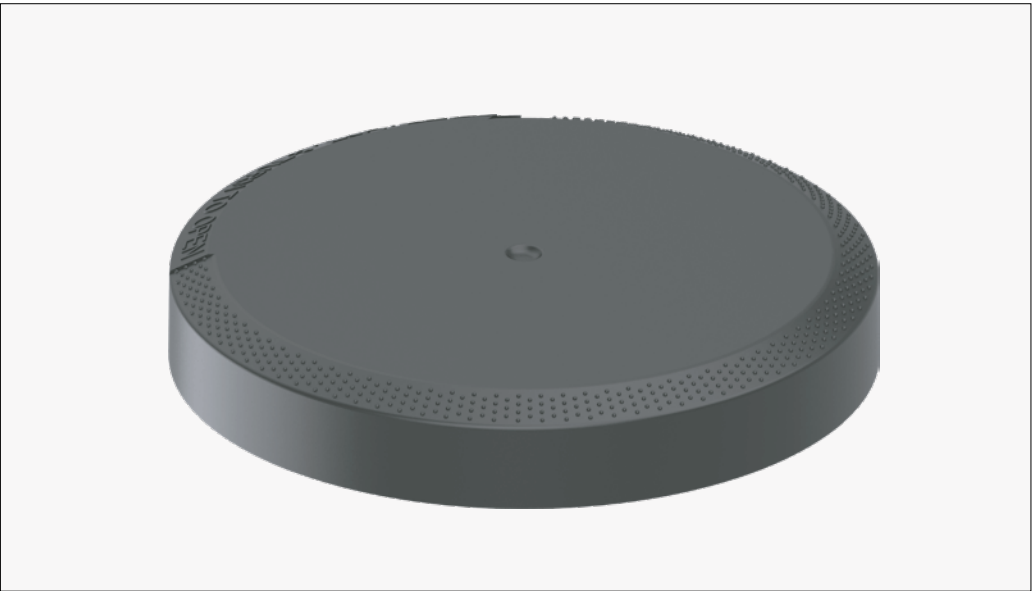

The container closure system incorporates features designed to allow ease-of-use by senior adults.

Dual Compartment Container

The integrated dual storage compartments are engineered to dispense new pouches and store disposed pouches in a compact container.

360 Micro-Grip Diamond Surface

The precision milled micro-grip diamond closure allows for a comfortable and tactile experience providing more surface area to grasp and twist the closure.

Friction-Fit Closure

The SmartCap uses a friction closure that automatically creates a seal with the bottle neck, to support liquid leaks from occurring.

SPIRAL™ BOTTLES & DOSING CUPS

Available Sizes: Bottles

10 mL | 16.5 mL | 20 mL | 30 mL | 30 mL STUBBY™ | 50 mL | 60 mL | 100 mL | 120 mL

Available Sizes: Dosing Cups

9 mL | 20 mL | 40 mL

Chubby Gorilla's Spiral™ Bottles offer optimal solutions for a wide range of beverages and liquid fluids. Engineered with a friction-fit closure, our Spiral™ Bottles help support liquid leaks from occurring. Available in various sizes, catering not only to liquid storage but also offering a versatile packaging option for multipack products.

Spiral™ Dosing Cups, paired with Spiral™ Bottles, offer precise liquid measurements from 3 mL to 9 mL, 5 mL to 20 mL, and 5 mL to 40 mL. This versatile cup enables convenient dosing at home or on-the-go.

KEY ELEMENTS

Universal 510-Thread Holder

The 510-Thread holder is integrated into the closure to hold cartridges in place in a variety of orientations.

SPIRAL™ 510-CARTRIDGE CONTAINERS

Available Formats
65 mm Flat | 65 mm Round

Chubby Gorilla® Spiral™ 510-Cartridge Containers have set the new bar for cartridge packaging. The Spiral™ 510-Cartridge Container has the capacity to hold 65mm in length cartridges in a compact and contemporary styled packaging solution.
**510-Cartridge not included*

KEY ELEMENTS

- All-In-One Smartcap
- Child-Resistant Closure
- Rotational Suspension Closure
- Fastened Tamper-Evident Band
- Universal 510 Thread Holder
- Contoured Groove Surface
- Heavy Duty Container Construction
- Designed & Engineered In California USA
- Protected by Design Patent and/or Design Registration and Additional Patents Pending

All-In-One SmartCap

The SmartCap simultaneously applies the tamper-evident band while closing the container.

Child-Resistant Closure

(Excludes Spiral™ 10 oz. Container, and Spiral™ Thick Wall Containers)

The container closure system incorporates a child-resistant feature designed to allow ease-of-use by senior adults.

Rotational Suspension Closure

Effortlessly set the closure in motion and close your container with a closure that features a spring suspension that retracts the closure when it is pushed down. This feature provides a levitating experience and click-slide sensation while it turns.

Fastened Tamper-Evident Band

A smooth tamper-evident band remains latched onto the neck of the container.

Integrated Liner

The closure incorporates an integrated liner with the container neck, supporting odor-leaks from occurring.

Contoured Groove Surface

The precision milled contoured grooved closure allows for a comfortable and tactile experience providing more surface area to grasp and twist the closure.

65mm / T18

Universal 510-Thread Holder

The 510-Thread holder is integrated into the closure to hold cartridges in place in a variety of orientations.

AVIATOR® 510-CARTRIDGE CONTAINERS

Available Formats
65 mm FLAT | 65 mm Round

Chubby Gorilla® Aviator® 510-Cartridge Containers have set the new bar for cartridge packaging. The Aviator® 510-Cartridge Container has the capacity to hold 65mm in length cartridges in a compact and contemporary styled packaging solution.
**510-Cartridge not included*

KEY ELEMENTS

- All-In-One Smartcap
- Child-Resistant Closure
- Rotational Suspension Closure
- Universal 510-Thread Holder
- Fastened Tamper-Evident Band
- 360 Micro-Grip Diamond Surface
- Heavy Duty Container Construction
- Protected by Design Patent and/or Design Registration and Additional Patents Pending
- Designed & Engineered In California, USA

All-In-One SmartCap

The SmartCap simultaneously applies the tamper-evident band while closing the container.

Child-Resistant Closure

(Excludes Aviator® Tube 115 mm FLAT and Aviator® Pop-Cap Tubes)

The container closure system incorporates a child-resistant feature designed to allow ease-of-use by senior adults.

Rotational Suspension Closure

Effortlessly set the closure in motion and close your container with a closure that features a spring suspension that retracts the closure when it is pushed down. This feature provides a levitating experience and click-slide sensation while it turns.

Fastened Tamper-Evident Band

A smooth tamper-evident band remains latched onto the neck of the container.

Integrated Liner

The closure incorporates an integrated liner with the container neck, supporting odor-leaks from occurring.

Contoured Groove Surface

(Excludes Aviator® Base Bottles, Aviator® Shot Bottles)

The precision milled contoured grooved closure allows for a comfortable and tactile experience providing more surface area to grasp and twist the closure.

UNICORN BOTTLE®

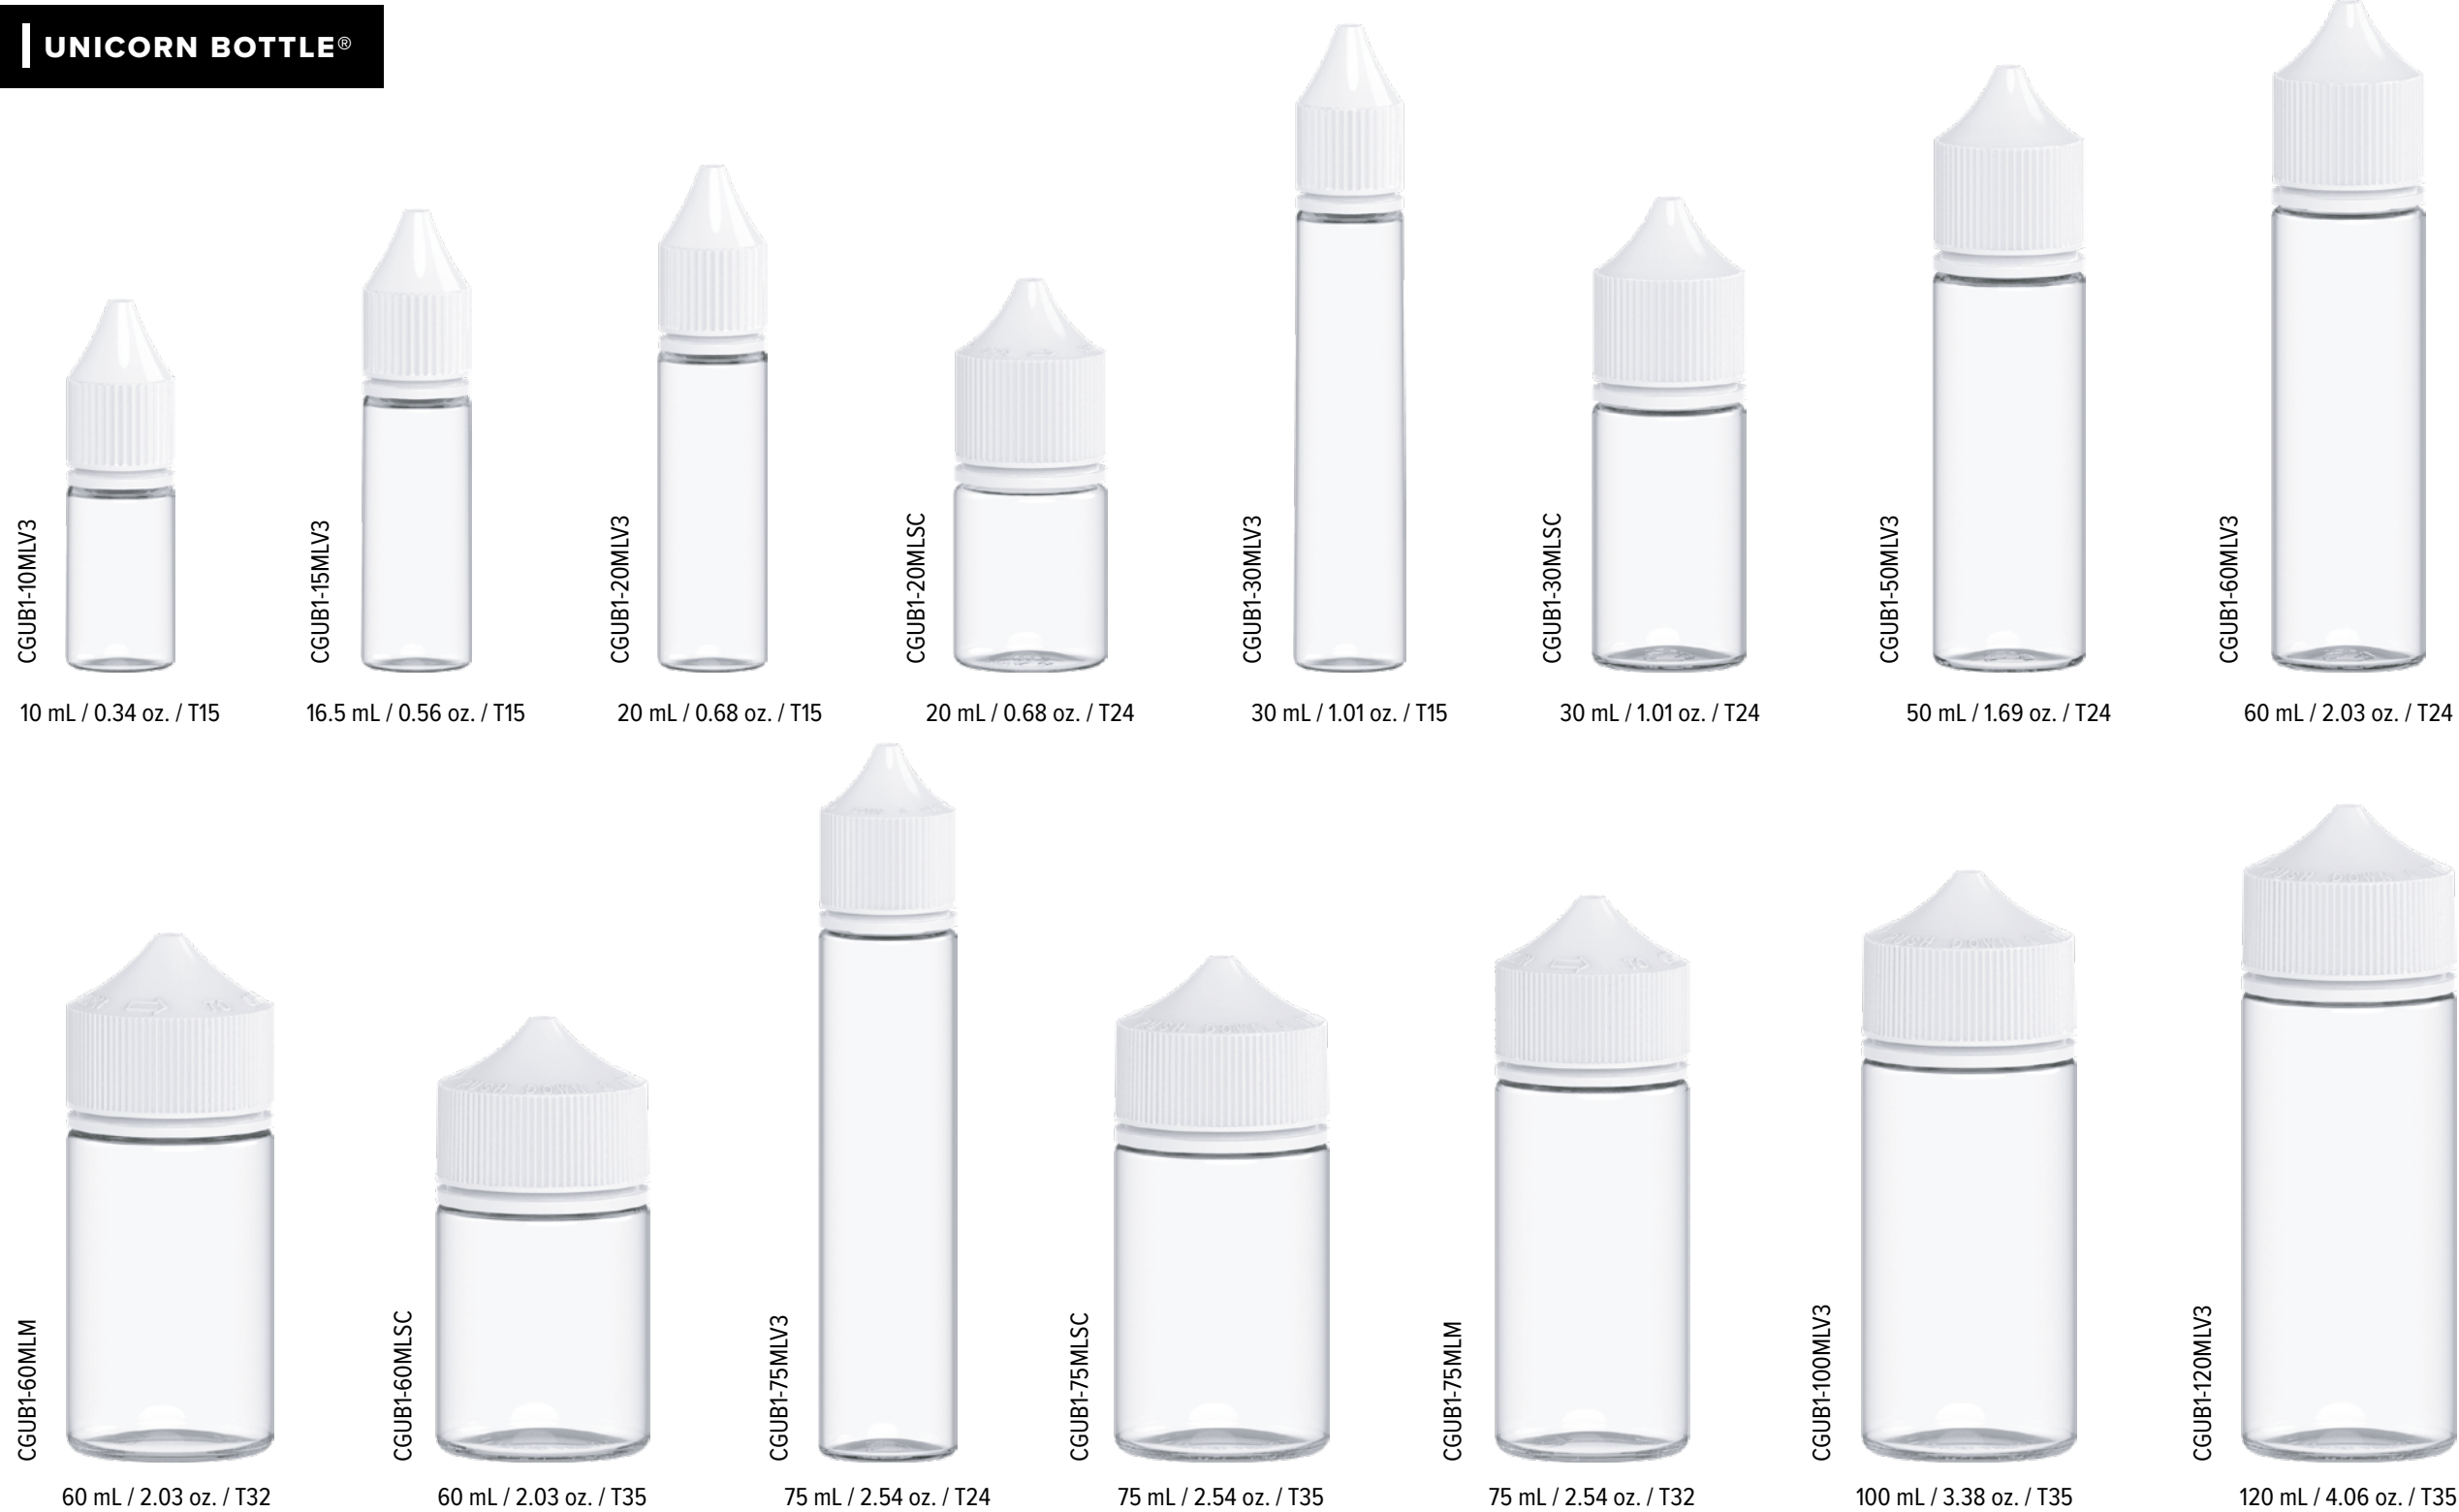

Chubby Gorilla’s classic line of Unicorn Bottles, set the bar for e-liquid storage and dispensing. The Unicorn Bottles are known throughout the industry for its soft-squeeze construction allowing users to pinch a drip or squeeze a flow.

UNICORN BOTTLE®

UNICORN BOTTLE® WITH REDUCER NEW SIZES

Refined Nozzle

Dispensing nozzle reduces liquid discharge by applying a clever engineering technique on the nozzle's pathway that produces an equilibrium of pressures between both ends.

CUSTOM SOLUTIONS

Chubby Gorilla® offers custom branded packaging solutions to compliment your overall marketing strategy. Although packaging is perceived to improve brand identity, through our experience of assisting brands globally, we have learned that custom solutions can further elevate marketing efforts as part of a wider strategy.

At Chubby Gorilla® we will work closely with you to offer a variety of special finishes tailored to fit your brand's identity. Our dedicated customization team is on-hand to help you realize this vision. Its worth noting that in a growing number of markets customization carries additional responsibilities and tests that will be required along with the potential costs that your brand will have to factor in. *We strongly advise keeping up to date with the ever-evolving legislation for packaging within the markets that you supply or intend on doing so.*

WHAT WE DO

Chubby Gorilla® has been producing quality packaging for customers in over 100 countries. We consider our impact on people and the planet in everything we do. We continue to ask ourselves how we can make Chubby Gorilla® an even greater force for good in the world. To start we strive to support a balance of quality engineered, sustainable, and regulated products worthy of our brand and beneficial to our customers.

Through our membership with Ecologi’s Climate Positive Workforce we are helping to offset our employee’s carbon footprint and support climate positive projects.

Finally, since we are Chubby Gorilla®, we feel it is only right to support and protect our name sake. We’ve partnered with Gorilla Rehabilitation and Conservation Education Center (GRACE), to provide care for rescued Grauer’s gorillas and work alongside the Congolese community to promote the conservation of wild gorillas and their habitat. With these efforts, it will help us towards our goal of social responsibility and sustainability.
